

List of UAT URLs for Type 2 – ERIs

Please find below the List of UAT- URLs for the APIs currently available for Type 2 ERI Users for Integration and Testing. Please note before you attempt to Hit these APIs, ensure that:

- 1) IP address, Email & Mobiles are whitelisted at our end.
- 2) Public-key certificates are successfully updated at our end. (All Certificate validations must be completed.)
- 3)UAT API credentials are configured (Client-ID and Client-Secret)

For the payload details for the below APIs can be downloaded from the ITD portal, Link for your reference:<https://www.incometax.gov.in/iec/foportal/api-specifications>

For any further queries please contact erihelp@incometax.gov.in, highlighting the relevant Environment (UAT/Prod) in the subject line.

Sl No.	API name	Endpoint	Link
1	Login	login	https://uatocpservices.incometax.gov.in/iec-uat/uat/eriapi/login
